

# Research Study

## Research Engagement and Collaboration for Health (REACH)

### WE'RE LOOKING FOR:

- ✓ Aged 16+ and in Canada; AND
- ✓ People with lived experience of mental health/substance use challenges, or a family member, who have been engaged in research as collaborators, co-researchers, or advisors; OR
- ✓ Researchers, research staff, and research trainees engaging people with lived experience in research

*Let us know if there are any accessibility considerations we can help with!*

For information about programs and services at CAMH, please visit [www.camh.ca](http://www.camh.ca) or call 416-535-8501 (or 1-800-463-6273).

### Share your experience!

We want to know what tools, guidelines, and other resources are needed to optimize lived experience engagement in research. The study involves a brief online survey, followed by an optional consultation event.

You will be compensated for your time.

The survey will be online.

The consultation event will be online (Canada) or in person (Toronto).
