

# Help Shape the Future of Clinical Trials!

## Participate in a Study on Patient Engagement in Clinical Trials

Are you a patient partner with lived experience and involvement in clinical trials?  
Researchers at The Ottawa Hospital Research Institute want to hear from you!

### What's the Study About?

We're exploring the barriers, facilitators, and needs of both researchers and patients regarding patient engagement for clinical trials.

### What's Involved?

- A 30–45 minute interview conducted virtually (MS Teams) or in person
- Receive a \$50 CAD honorarium for your time
