

PARTNER WITH US

To shape research
and build resources
For families, by families.

We're hoping to connect with parents who

- Live in Canada
- Are raising a child or youth experiencing disruptive behaviours
- Want to partner with us as advisors

No research background needed.
Your lived experience is the expertise.

Ways you'll help shape this work

- Share feedback on research ideas and priorities
- Review drafts of materials
- Help make sure resources are clear, respectful, and useful for parents
- Suggest new ideas for tools or resources families might need

What to expect?

- 6-8 hours over one year
- Including four 90-minute meetings
- Providing light feedback by email between meetings

We value your time and expertise

- \$25/hour
- up to \$200
